

Ron Gill

Partner,
PricewaterhouseCoopers LLP

Ron Gill is an Assurance Partner at PricewaterhouseCoopers LLP. He has over 13 years of experience in providing assurance and advisory services, predominantly to public companies listed in Canada and the US, across a wide range of industries including mining, forestry, real estate and utilities.

His approach to client service recognizes the importance of developing strong relationships with senior client management, the early identification and resolution of issues and obtaining a thorough understanding of his clients' businesses. Ron brings advice and ideas to clients regarding accounting and financial disclosure, as well as internal controls and operating efficiencies. He works with client service teams on prospectuses, business combinations, Sarbanes-Oxley compliance, due diligence, and accounting opinions, in addition to annual audits and quarterly reviews.

Mr. Gill earned both his Bachelor of Science degree and Diploma in Accounting from the University of British Columbia and has been a Chartered Professional Accountant since 2012.
